Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner indicated that the claims would be in condition for allowance if claim 1 was amended to clarify that the mammals to which which the attenuated measles virus was administered has cancer. It was agreed that the claims would be amended such that the phrase - - having viable cancer cells therein- - would be inserted after the term "mammal" at the beginning of line 2 of claim 1, and that the amendment would be by way of Examiner's Amendment..
